

Project - Supply of Electricity for the Defenders of Ukraine

At this time (July 2022) our defenders are in dire need of electricity, namely diesel generators. We are asking for your help in purchasing **4 generators: Black+Decker 6500 Watt Diesel BXGND6300E 230V Stormerzeuger Stromaggregat.**

These generators can be purchased in Germany: <https://ademax-strom.de/Black-Decker-6500-Watt-Diesel-BXGND6300E-230V-Stromerzeuger-Stromaggregat/BD-BXGND6300E>

Need help with the purchase.

The total amount of the project with delivery to the city of Dnipro is 12,000 Euros.
